

WHAT TO EXPECT FROM YOUR MATERNITY CARE COORDINATOR

Getting Started

- Learn about your needs
- Help you find a maternity care provider
- Coordinate your care with your community and VA provider

Helping You Prepare

- Provide maternity and newborn care education
- Answer questions around benefits and billing
- Connect you with pregnancy-related classes

Every VA facility offers Maternity Care Coordinators who provide personalized guidance from early pregnancy through 12 months postpartum.

Contact your VA health care provider or local Women Veterans Program Manager to connect to a Maternity Care Coordinator near you.

Ensuring the Best Care

- Complete health screenings
- Connect you with vital resources and referrals
- Monitor delivery of care and ensure follow up for health conditions

Supporting You Postpartum

- Provide supplies like breast pumps and nursing bras
- Connect you to post-delivery care
