

# SUPPORT FOR HEALTHY BREATHING

Coughing • Wheezing • Shortness of Breath

- Once you've ruled out COVID-19 as a cause for these symptoms, talk with your VA Women's Health provider about getting checked for asthma, rhinitis and sinusitis.
- Gulf War and post-9/11 Veterans: Disability compensation is available for certain respiratory conditions after deployment. Call the VA Benefits Hotline 800-827-1000.
- Help your fellow Veterans by signing up for the Airborne Hazards and Open Burn Pit Registry.
